Commercial Business License

Chapter 26 of the City of Springdale Code of Ordinances requires that any person who engages in, carries on or follows any trade, business, profession, vocation or calling, within the corporate limits of the City, unless exempt by State law, to have a Business License. Any person having more than one place of business within the city shall obtain a license for each business location.

Prior to issuance of a business license, the location selected must be in compliance with all city building and zoning regulations. Businesses must also be in compliance with state sales tax regulations.

(a) No license shall be issued for the conduct of any business if the premises and building to be used for the purpose do not fully comply with the requirements of the city.

(b) No such license shall be issued for the conduct of any business or performance of any act which would involve a violation of the zoning ordinance of the city.

(c) No license shall be issued for the conduct of any business until the applicant submits a copy of its State of Arkansas sales tax permit, or provides proof of a state sales tax identification number, as required by the State of Arkansas for the business
